About me

Hey, I am a Web and Mobile developer. I have have experience working with real projects (next js, Remix js, react native, svelte.js etc). I always seek out new challenges, I love solving problems and never give up. I devote all my time to programming and building projects using tech I love.

My Projects

- Soniq [Next js, styled-components] - [Real project - www.soniq.tech](#)
 - Volocopter [Remix js, styled-components] - [Real project - Volocopter.com](#)
 - Check my all repositories here - [My github](#)
-

Work Experience
