About me

Hey, I am a React and junior React native developer. I have have experience working with real projects (next js, react native). I always seek out new challenges, I love solving problems and never give up. I am very motivated. I devote all my time to programming and building projects using tech I love.

My Projects

- Soniq [Next js, styled-components] - Real project - www.soniq.tech
- Redberry laptop data [VanilaJS] - github
- City bikes map [React, styled-components] - github
- Entertainment-web-app-react [React, styled-components] - github
- Github-user-search-app [React, styled-components] - github
- Ecommerce product page [React, Tailwind] - github
- Interactive rating component [React, styled-components] - github
- Interactive Comments Section [React, Tailwind] - github
- Todo app [React, Nodejs, PostgreSQL, Tailwind] - github
- Tic Tac Toe Game [VanilaJS] - github
- Tip Calculator App [VanilaJS] - github
- Bookshop [VanilaJS] - github
- Check my all repositories here - My github
